Frequently Asked Questions

Q: What app do I need to download?

A: You'll want to download the "Lyft Driver" app. The icon will be a pink steering wheel.

Q: Where can I get my vehicle inspected?

A: Any certified mechanic in the state of Michigan can perform a Lyft vehicle inspection.

Q: Do I still need an inspection if I have a new car?

A: Michigan state law requires that vehicles with a model year 5 years or older must pass an annual vehicle inspection to drive for a transportation network company. For example, in 2018, model years 2013 and older will require an annual vehicle inspection.

Q: How frequently do I need to get my vehicle inspected?

A: For vehicles 5 years or older it will need to be completed once a year.
